RE: CPP Ridge Road Permit # P0107767; Facility ID: 1318008750

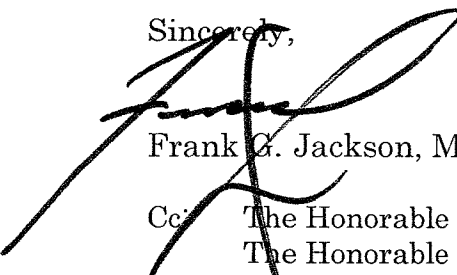

Dear Mr. Nally:

Thank you for your Agency's diligent review of the above requested permit. I am writing to request that the public comment deadline, which currently expires on January 23, 2012, be extended until February 23, 2012.

I am working with Cleveland City Council to establish a series of community meetings between now and our requested February 23, 2012 date, and your agency's extension of the public comment period would allow attendees to send comments to your Agency based on what they learn at these meetings.

Thank you for considering my request.

Sincerely,

Frank G. Jackson, Mayor
